What made you choose Paxton Charities Accounting?

Church treasurer, Simon Bond said, *"Before using Paxton Charities Accounting, we were using homemade spreadsheets. This was coming to the end of its natural life and we wanted something that was more flexible to cope with future changes and easier for a new treasurer to pick up."*

What benefits has Paxton Charities Accounting brought to your charity?

Simon Bond continues, *"Moving to Paxton, has made it easier to produce our year end accounts, and also to incorporate changes. It is also less easy to make errors than our previous system."*

What are your experiences of Paxton's support services?

"It has been positive. I have managed to find a way to do everything I want, and when I have contacted Paxton for support, they have been very helpful." said Simon Bond.
