

CASE STUDY

Background

We are a church - Christian denomination - with around 200 members. Our annual turnover is in excess of £100,000 and our accounts are lodged with the Charity Commission as we also are a registered charity.

What made you choose Paxton Charities Accounting?

Rory Alexander said, *"We wanted an accounts package which could deliver as much of a 'paperless' system as possible and which could reduce workload."*

Paxton appeared to be a proven product which focussed on the charity sector.

The prospect of cloud back-up and utilisation was added attraction."

What benefits has Paxton Charities Accounting brought to your charity?

Rory Alexander continues, *"Early days to judge as our 2014 accounts are yet to be completed on Paxton. Input does appear to produce time savings. Our gift aid trial run was very successful!"*

What are your experiences of Paxton's support services?

"Initial sales support and training was very good as was enquiry handling pre-purchase." said Rory Alexander.
