What made you choose Paxton Charities Accounting?

Deacon Steve Girling said, *"Before using Paxton Charities Accounting, we had a combination of spreadsheets and Sage, which I found increasingly time consuming. Having spoken to the FIEC for advice, Paxton was recommended."*

"I liked the information and demonstrations on the web site and that it had been designed for a charity like ours, with the option of a simplified receipts and payments offering."

What benefits has Paxton Charities Accounting brought to your charity?

Steve Girling continues, *"To have a dedicated software package has allowed me to be more confident in the accuracy of the accounts, and it significantly cuts down the time and duplication of producing accounts and Gift Aid returns."*

What are your experiences of Paxton's support services?

"The support team are always helpful in dealing with my concerns, and have a good understanding of the types of issues I need to resolve." said Steve Girling.
