

# CASE STUDY

## Background

Paulsgrove Baptist Church is a Baptist Church in Portsmouth, affiliated to the Fellowship of Independent Evangelical Churches. Activities include Sunday services, baby and toddler groups, food bank, craft club and debt advice centre.

## What made you choose Paxton Charities Accounting?

Treasurer Brian Smith said, *"Before using Paxton Charities Accounting, we were using very complicated spreadsheets designed by a previous treasurer, with separate sheets for donations and Gift Aid. Having reviewed the available off the shelf options, I quickly decided on Paxton, as it resolved all of the shortcomings of the existing system."*

## What benefits has Paxton Charities Accounting brought to your charity?

Brian Smith continues, *"The Paxton system is very intuitive and user friendly. Being fully integrated Gift Aid is automatically transferred to the relevant ledger account. Preparation of the Annual Report and accounts for the Charity Commission is very easy. We have just moved to the cloud version, and the move was very simple and straightforward"*

## What are your experiences of Paxton's support services?

*"Most queries can easily be resolved using the on line tutorials. When I have had to call the helpline, I was talked through the necessary steps and the problem was quickly and easily resolved."* said Brian Smith.
